CONTACT 19

We are a Modern Day Furniture Dealership Located in the Heart of Stamford Connecticut.

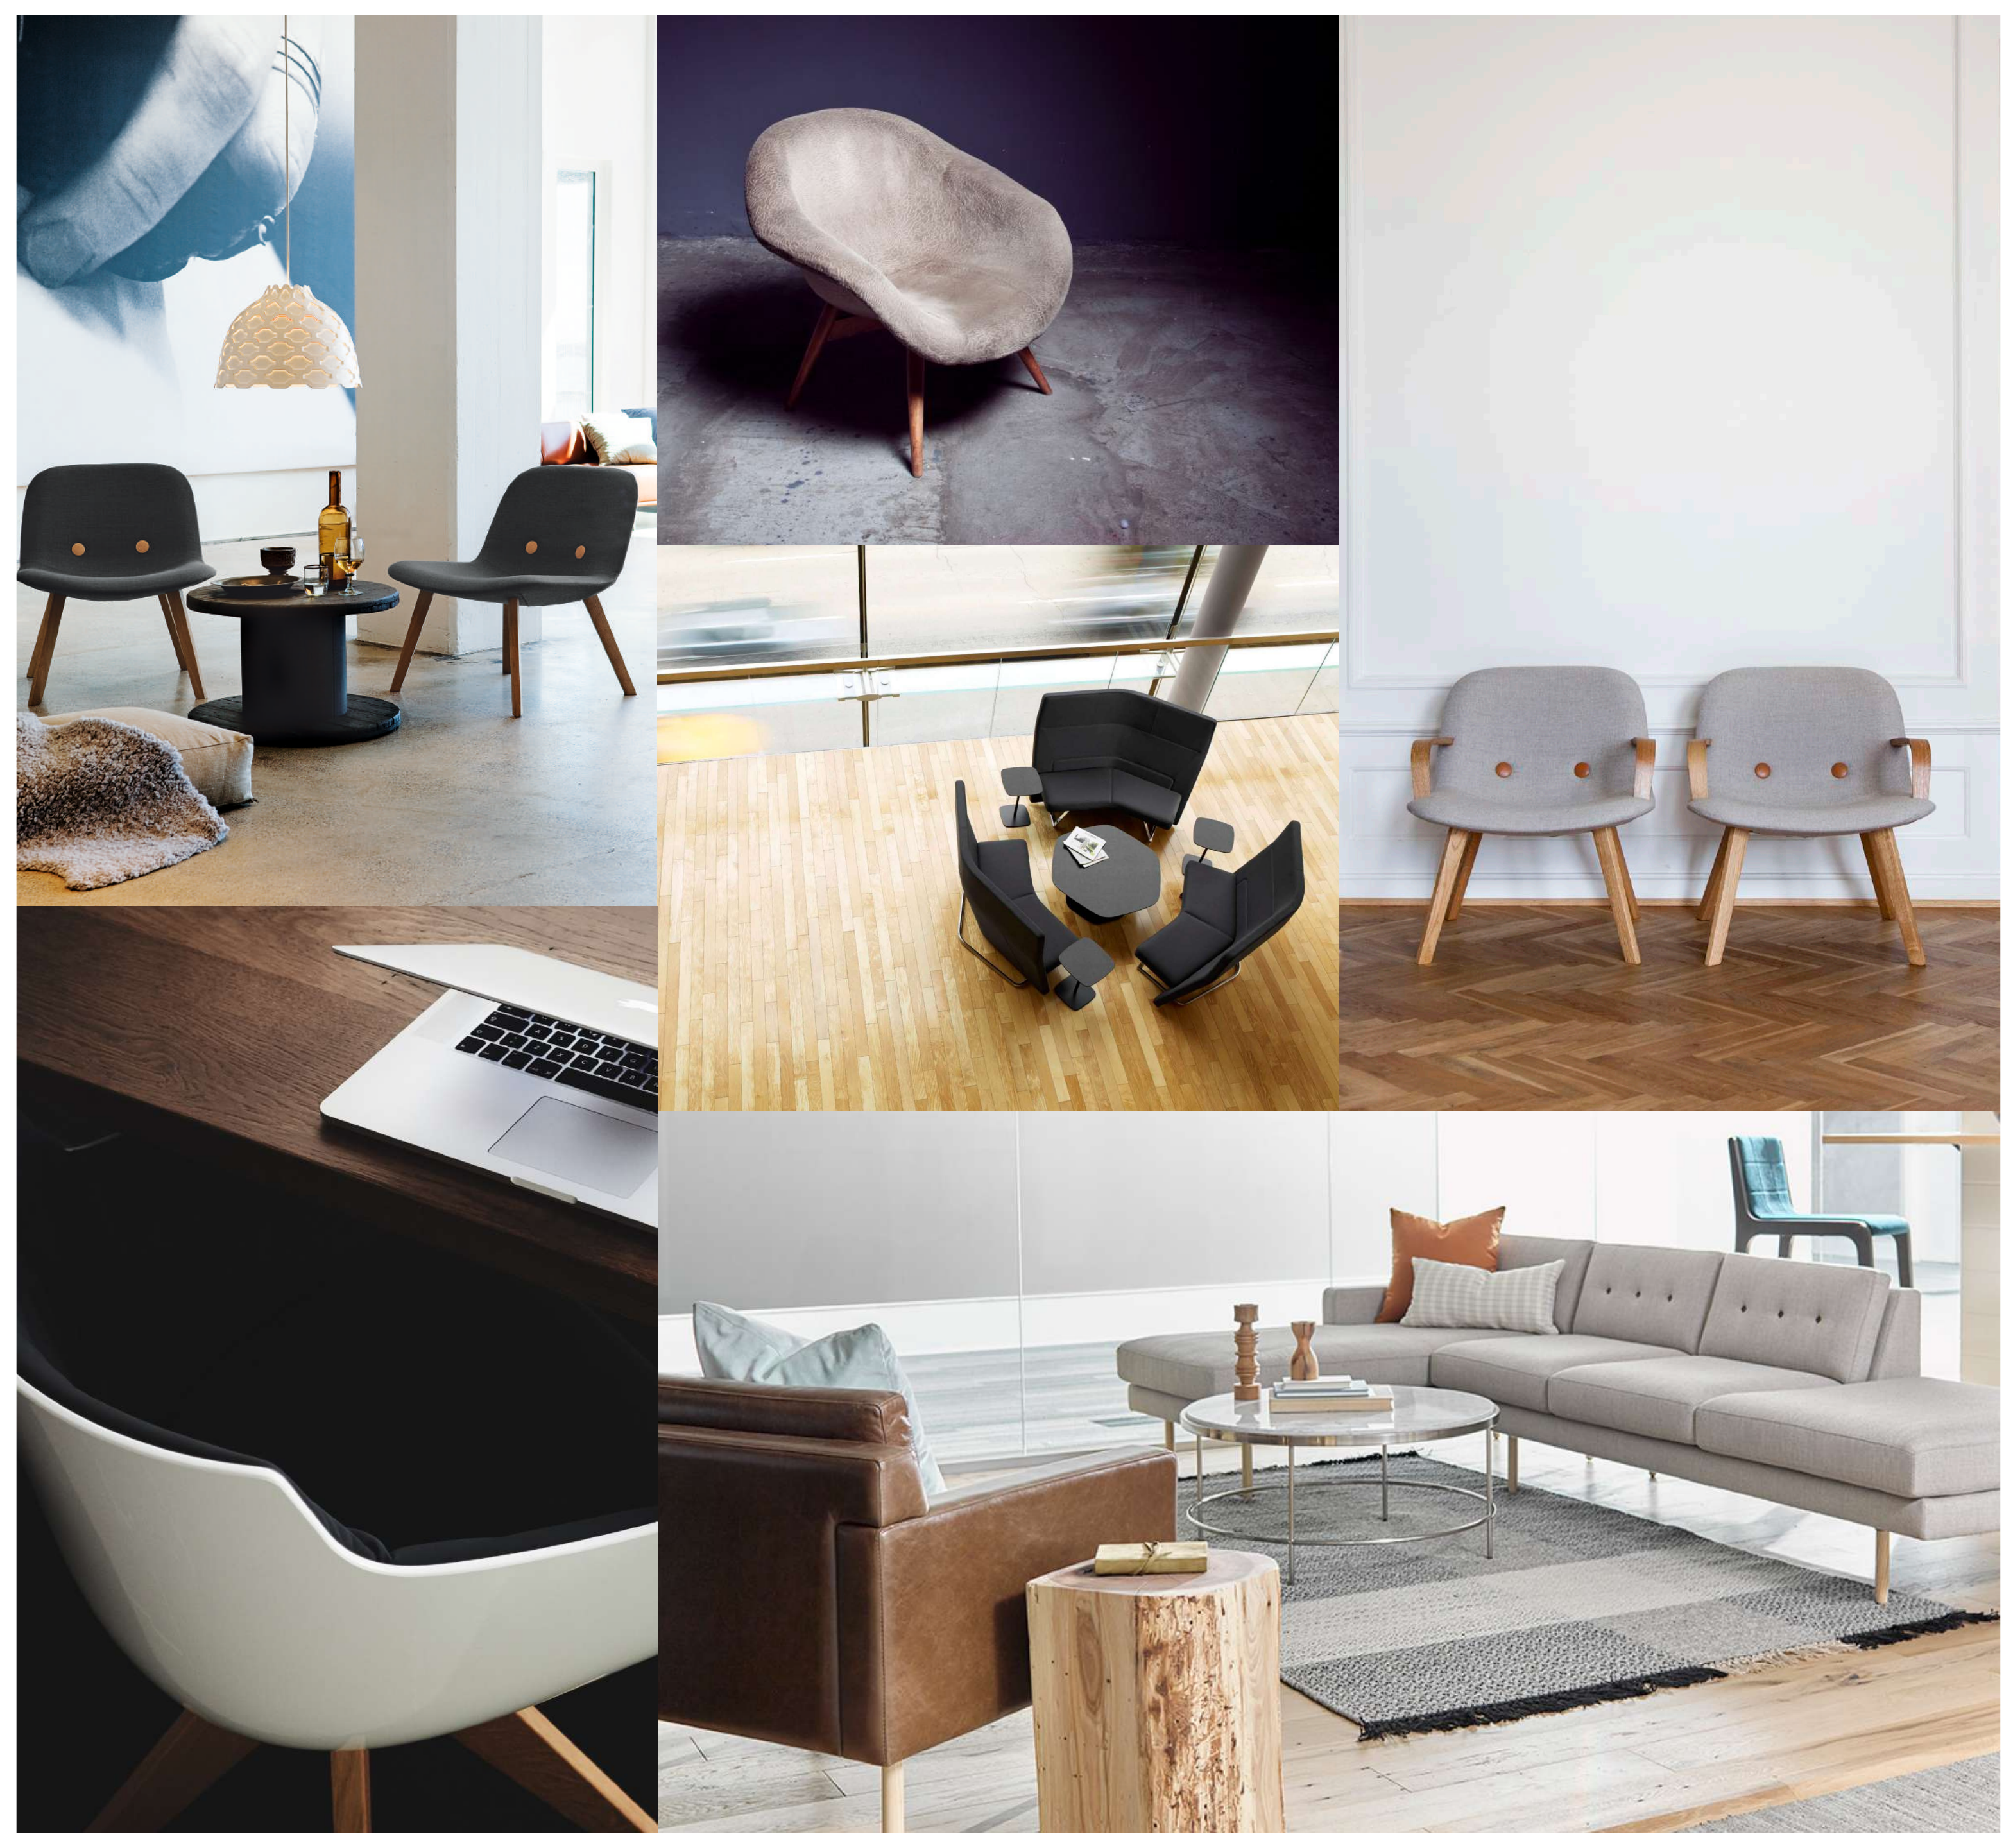

Since day one, it has been our mission to challenge the conventional notion around office design, by elevating the lens of how a Workspace should be viewed and interacted with.

04

WHAT MAKES US UNIQUE

Our ability to create highly innovative & thoughtfully designed workspace solutions for all budgets both large and small.

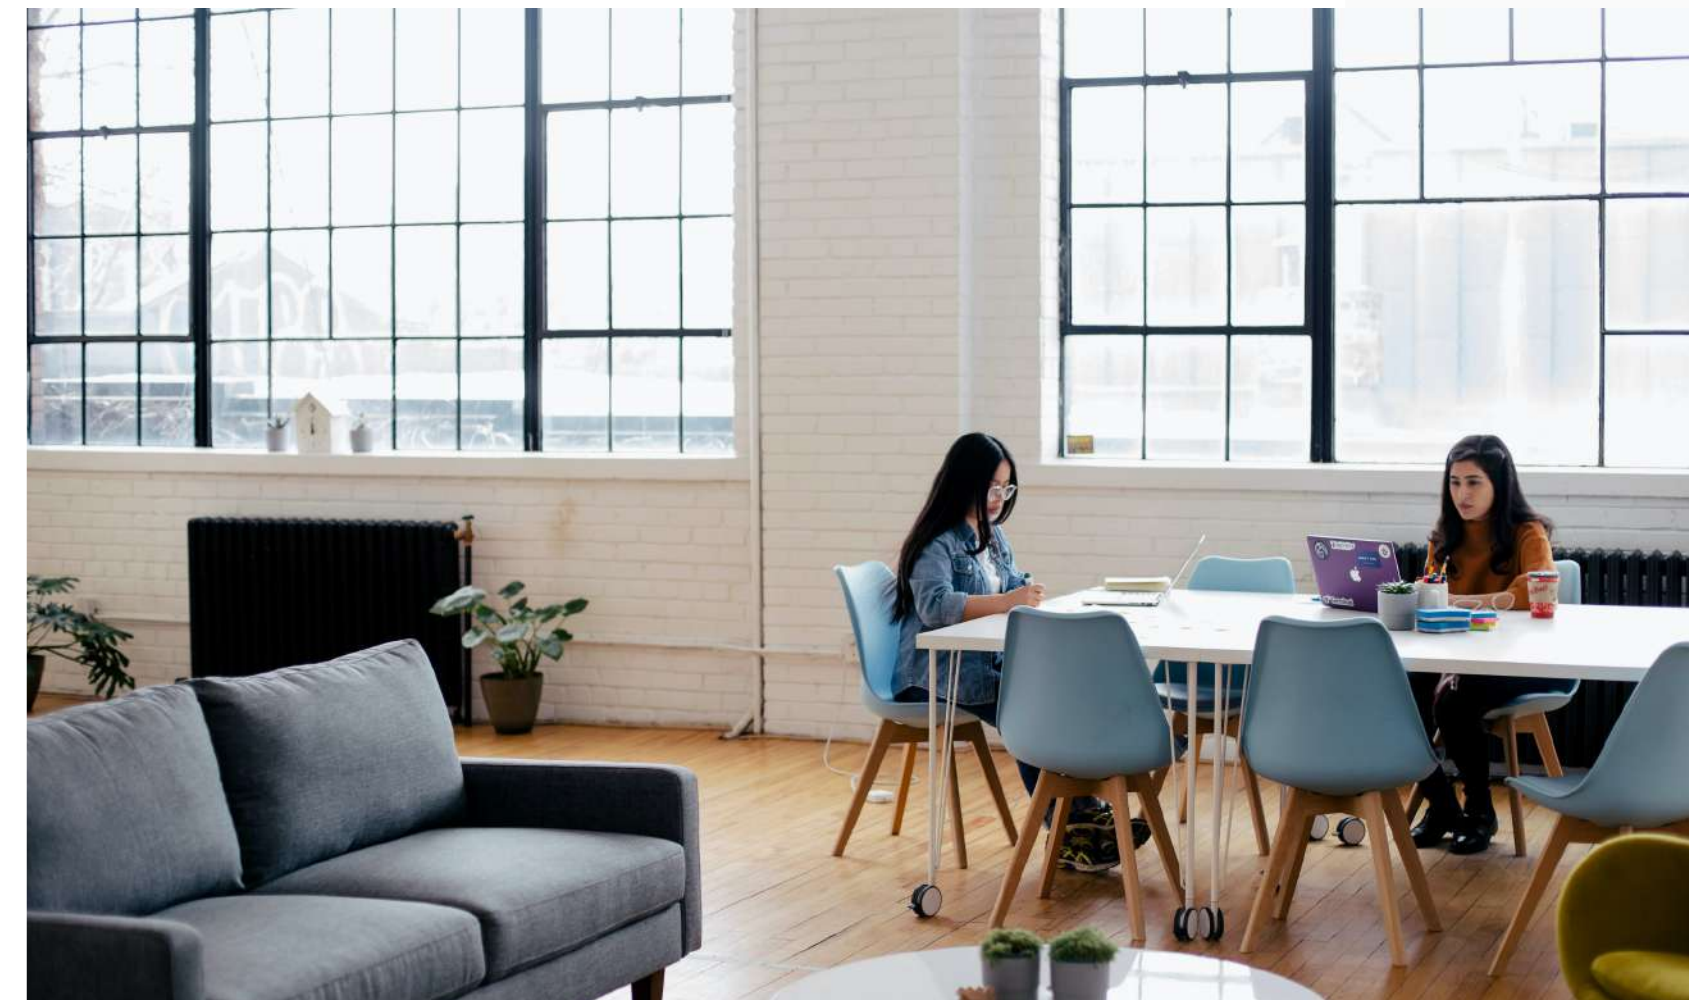

We've strategically partnered with over 100+ furniture manufactures across the globe to develop a unique catalog that allows for full flexibility in solving for your company's needs or wants.

05

A PROUD MEMBER OF THE
Minority Business Enterprise

Workspace is a Minority, Women Owned Business enterprise that has been certified since our launch in 2010. Our team consists of 75% women & 80% of minorities which gives us an edge compared to firms that do not have the same thought process of such a diverse pool.

ABOUT MINORITY BUSINESS ENTERPRISES

Our demographic in the office drives our cognitive diversity which helps us create solutions for our clients. We believe diversity is the spice of life that helps enhance the ethos in people. It is a dynamic, integral aspect for our communities we serve and our global society as a whole. The world has constantly lived in complex times so complex solutions are necessary to continue to be able to push the envelope to evolve - our diversity works in tandem with our ethics everyday.
